A full and interesting two day educational program is planned for Dealers and Manufacturers. Papers and Seminars will be presented on Technical and Business topics of vital interest to the Marine Electronics Industry. Special activities are being arranged for wives, including a Tuesday luncheon.

Registration for the NMEA Meeting is \$35.00 for members, (wives free of course), \$50.00 for non members. (Luncheon, Banquet and Hotel accommodations are extra and not included.)

An advance Registration Form and Questionnaire for the NMEA meeting, Advance Hotel Accommodation Reservation Forms, are attached.

ITEM - NMEA CALL FOR PAPERS — SEATTLE MEETING, OCTOBER 22 and 23 1979

Papers should be prepared for a half hour presentation in a lecture-hall setting for an audience of about 75 persons, with or without Audio-Visual Aids. A summary and Author's biography should accompany each paper. Speakers should also be prepared for a ten to twenty minute question period.

Topics may include:

1. Technical discussions of the design, operation, service, and use of Marine communications or Navigation electronics equipment or systems.
2. Descriptions of business management techniques of interest to Marine Electronic Equipment Dealers.

A submission application and speaker's fact sheet is enclosed for use by persons interested in presenting papers.
